

Ms. Sonu Saju
Assistant Professor
Department of Civil Engineering

[Email id sonusara.911@gmail.com](mailto:sonusara.911@gmail.com)

Contact No: 9645451951

Academic Background: **B.Tech** (civil), MG University, Kerela, 2005-2009
 M.Tech (Integrated water resource managment),
 Karunya University,2011-2013

Areas of interest: :.Design of hydraulic structures, environmental
 engineering, Fluid mechanics, water resource
 engineering,
 civil engineering drawing, environmental
 pollution control techniques, sustainable
 engineering, basic civil engineering

Subject handled: **B.Tech**:.Design of hydraulic structures,environmental
 engineering,fluid mechanics,water resource
 engineering,civil engineering drawing,environmental
 pollution control techniques,sustainable
 engineering,basic civil engineering

M.Tech:.nil

Software Proficiency: .Autocad,primavera

Experience:
(Total Experience) **5 years**

Academics: (5 years) 1. Eg: November 2010 to june 2011 2. january 2014 to Till date	1. Assistant Professor , Department of .civil engineering, Indira Gandhi college of Engineering,Nellikuzhy 2. Assistant Professor , Department of civil enginnering , Ilahia College of Engineering & Technology, Mulavoor, Muvattupuzha.
Industry: (5 months): 1. June to November 2010	2. Project Engineer Shades contructions kothamangalam

Professional Association Activities

Publications details :

International Journals / Conferences:

- National conference on innovations in civil engineering(NCICE) organised by department of civil engineering, Karunya University, Coimbatore
- Participated international conference on “Impact of climate change on water resource”

Workshops:

- Shorter training program on “study on isotopes approved by ISTE and conducted by CWRDM kozhikode
- National conference on innovations in civil engineering(NCICE) organised by department of civil engineering, Karunya University, Coimbatore
- Workshop on “Solid Waste Managment”held at MA College of engineering kothamangalam
- Workshop on “sustainable engineering and development”held at MA college of engineering kothamangalam

...

Events Organized/ Conducted

- Staff in charge, Event Management, Arts fest 2016
 - Techfest event coordinator
-

Achievements	Recieve “Award of excellence” 100 percent results for 1)Environmental engineering 2)sustainable engineering 3)Environmental pollution control techniques
Add-on Courses Attended	Wastewater treatment and recycling
Other Responsibilities	Staff advisor ,Discpline committee ,MG university series exam cell
