

Ms. Neethu B
Assistant Professor
Department of Computer Science & Engineering

[Email id:neethucaneesh@gmail.com](mailto:neethucaneesh@gmail.com)

Contact No: 9961496961

Academic Background:

B.Tech (Computer Science and Engineering), Mahatma Gandhi University, Kerala, 2010

M.Tech (Computer Science &Engineering), Amrita Viswa Vidyapeetham, 2012

Areas of interest:

Machine Learning

Subject handled:

B.Tech: Data Structures, Cryptography & Network Security, Computer Programming, Theory of Computation, Operating Systems, Computer Networks, Microprocessor Systems, Data mining and Warehousing, Machine Learning, Mobile Computing, Computer Graphics,

M.Tech: Nil

Software Proficiency:

Programming in C , C++, Java, PHP

Experience: 7 years 8 months

Academics: (7.8 years)	1. Assistant Professor , Department of Computer Science & Engineering, Ilahia School of Science & Technology, Pezhakkappilly, Muvattupuzha
1. Eg: August 2014 to still date	

Publications details :

**International Journals
/ Conferences:**

1. Adaptive Intrusion Detection Using Machine Learning at IJCSNS International Journal of Computer Science and Network Security, VOL.13 No.3, March 2013
 2. Classification of Intrusion Detection Dataset using machine learning Approaches, at International Journal of Electronics and Computer Science Engineering, ISSN 2277-1956/V1N3-1044-1051
-

Workshops:

1. Five-day workshop on Linux Administration conducted by ICT Academy, Trivandrum at Sree Narayana Gurukulam College of Engineering, Kadayiruppu
 2. Three days' workshop on Python Programming at Federal Institute of Science and Technology, Angamaly
 3. Two days work shop on FOSS at Viswajyothi College of Engineering and Technology ,Vazhakkulam
 4. Three days workshop on R-Programming at MACE ,Kothamangalam
 5. Two day seminar on statistics and algorithms at Viswajyothi College of Engineering and Technology ,Vazhakkulam
 6. One Day seminar on MATLAB at Amrita School of engineering, Kollam
 7. Two days workshop on Drupal at Amrita School of Engineering, Kollam
 8. Three Days work shop on Cloud Computing at Amrita School of Engineering, Kollam
 9. Five days workshop on Algorithm Analysis at SNGCE, Kadayiruppu
 10. One day training program on corporate training at Amrita Viswa Vidyapeetham ,Amritapuri
-

Events Organized/ Conducted

- 1.

Achievements

1. GATE 2020
 2. GATE 2010
 3. UGC NET JULY 2018
 4. UGC NET DECEMBER 2018
 5. UGC NET DECEMBER 2019
 6. UGC NET JRF DECEMBER 2019
-

Professional Association Activities:

Add-on Courses Attended

1. Introduction to cyber security, HarvardX online platform
 2. Virtual Reality course on BitDegree
-

Other Responsibilities

1. Head of Department
 2. Chairman of college Exam cell.
 3. Assistant program officer for NSS
 4. Member of Academic committee of KTU
 5. Class Advisor
-
